

## LPCMDL6 - 6" ADJUSTABLE PENDANT ACCESSORY (DL36 SERIES) SURFACE CEILING MOUNT ACCESSORIES

### SPECIFICATION

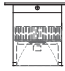

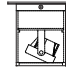

**Application:** For extending outdoor and indoor covered ceiling mount lighting via canopy and swivel with stem from ceiling plane. LITON Adjustable Pendant LPCMDL kits feature outstanding strength using a 5" diameter canopy (with swivel), a 1/2" diameter aluminum stem (length varies, see below), and a fixture mounting plate. These kits speed installation and simplify installation on flat or sloped/vaulted ceilings (75° maximum tilt).

**Mounting:** Suitable for Sloped/Angle Ceilings. Options available for different J-box mounting. Stems available 12", 18", 24", 36" and 48" Max. Lengths. For custom lengths, consult factory.

**Stem Length:** Available in 12", 18", 24", 36" and 48" long.

**Finish:** Available in Black and White
