

LRX420 - SLOT LINE VOLTAGE PHANTOM

SPECIFICATION

12V/120V 50W MR16

Applications: Mini-Arc 'Trimless' trims provide a flat, unobstructed 'zero-sight line' view of the ceiling. Trims easily install into a die-cast aluminum adjustment plate that mounts onto the housing. This miniature Slot trim is perfect for commercial and high-end residential applications. Its narrow slot aperture and high degree of adjustability makes it ideal for strategic placement where precise beam spread control is required. Ideal for accent lighting such as seating areas in conference room settings.

Finish: Inside Painted Black to reduce visual glare. Only available in White.

Accessories: Takes (1) 2" Media.

Label: UL Listed, cETL Listed
