

OVP25 : 2.5" GEN2 P·SERIES GOOF RING TRIM 2.5" ACCESSORY

- Trim rings cover gaps from miscut and over-sized holes
- Solid ABS Plastic Tapered Ring. Field paintable
- Covers unsightly, torn drywall caused by the removal of existing trim

SPECIFICATION

Application

White goof ring/trim works with 2-1/2" Recessed Trims/Reflectors or LED Downlights. Made from ABS Plastic, these rings are custom made and specifically designed to cover gaps or cracks in ceilings caused by a 3" Recessed Can.
